

Testimonial

"Honored and blessed are the words I have chosen when I have spoken about receiving the Edmonds School District Teachers of Color Scholarship. Honored to represent my own school district as a member of the first TOC Scholarship cohort, and blessed to be able to obtain my education without concern for how I would ever be able to afford it. By selecting me as a recipient, you have facilitated my personal and professional development in more ways than you can imagine." *Justine L.*

Who We Are

The **Teachers of Color (TOC) Foundation** was formed in response to feedback received from Edmonds Scholl Dsitrict and school community members regarding equity in education. An annual scholarship program was created to increase the teacher diversity.

Applications are welcomed from classified staff of color currently working in the Edmonds School District. The TOC Foundation offers scholarship recipients:

- ✓ **Full scholarships**
- ✓ **Support services and mentoring**
- ✓ **Race and equity training**
- ✓ **Emergency funding access**
- ✓ **Professional development**
- ✓ **Student teaching stipends**

TOC Foundation seeks funding from foundations, organizations, individuals, and institutions. The funds provide a full range of support and remove barriers to the TOC Foundation recipients' ability to reach their educational goals.

Why We Do This

Closing the opportunity gap among students of color is critical to improving student success.

The demographics in the Edmonds School District reflect:

- ✓ **Over 50% students of color**
- ✓ **Only 8% teachers of color**

Our goal is to have district teachers reflect the diversity of the students in the classroom and school community that will result in:

- ✓ **Higher graduation rates**
- ✓ **Proportional discipline**
- ✓ **Culturally responsive classrooms**
- ✓ **Improved family engagement**
- ✓ **Higher college acceptance rates**
- ✓ **Diversity in educational leadership**
